If you're looking for a modern apartment that blends lifestyle, location, and long-term value, Project Armonía is a compelling opportunity. Located near Avenida Balboa and just minutes from the waterfront, this development sits in one of the most desirable urban zones for both living and investing. Its design, timing, and setting make it especially attractive for buyers who want a property positioned for appreciation as the area continues to grow. The project consists of three towers, each with private access and its own delivery timeline, giving buyers flexibility based on goals and budget. One tower is already completed, the second is scheduled for delivery by the end of this year, and the third is planned for completion by the end of 2027. Availability currently exists in all three, which is rare in a project of this scale and location. Available Options 45 m<sup>2</sup> residences from \$150,...
