BAULA is a new boutique residential project located in Amador, one of Panama City's most unique waterfront neighborhoods. Just steps from the Amador Causeway and surrounded by nature, the project offers a peaceful lifestyle while remaining only minutes from downtown Panama City, marinas, restaurants, and the Panama Canal. Designed to blend contemporary architecture with the natural surroundings, BAULA features only 82 residences across 7 floors, creating a more private and low-density living experience. The building incorporates sustainable design elements, including solar energy systems and EDGE-inspired construction with thermo-acoustic technology for improved comfort and energy efficiency. Residences range from approximately 50 m² (538 sq. ft.) to 170 m² (1,830 sq. ft.) and can be configured with up to two bedrooms based on the owner's preferences. Select customization options allow buyers to...
