PH Silver Bay is currently one of the most attractive projects in Panama City for investors looking to generate income through Airbnb and short-term rentals. Located in Marbella, just minutes from Calle 50 and the Cinta Costera, it combines a premium location, smart technology, and a model specifically designed for profitability. The project offers studio apartments, as well as 1, 2, and 3-bedroom units with lock-off options, ideal for maximizing income by allowing spaces to be divided and rented separately. Unit sizes range approximately from 43 m² to 90 m², with prices starting from USD \$150,000. One of Silver Bay's biggest advantages is that the units are delivered fully furnished, equipped, and ready to operate on platforms such as Airbnb or Booking from day one, something highly valued by international investors seeking passive income without the need for additional renovations or set...
