A Bayfront Lifestyle Nestled between the tranquility of the bay and the exclusivity of Altos del Golf, Bahía del Golf is a residential project designed for those seeking a modern, active lifestyle, connected to the best of Panama City. The first towers of the complex were built 15 years ago, establishing a community where families, professionals, children, and people who enjoy sharing spaces designed for well-being and community living now coexist. Today, Bahía del Golf begins a new phase of growth with the pre-sale launch of two new residential towers: Tower 100 and Tower 200, designed to meet the evolving needs of city living. This new development has been conceived around the experience of its residents, integrating functional architecture, open spaces, and a wide variety of amenities that promote well-being, recreation, and community. The project will feature 16 exclusive amen...
