SEASIDE Urban residences designed for short-term rentals, comfort, and high returns Seaside is an investment-focused residential project located in the renovated Calle Uruguay area (47th Street), just steps from the Cinta Costera, within one of Panama City's most dynamic and high-demand neighborhoods. The project is specifically designed for short-term rentals, offering a structured business model for investors seeking consistent income and professional management. Seaside holds a hotel license, allowing legal operation on short-term rental platforms such as Airbnb and Booking, supported by a high-prestige logistics operator with international experience. A project designed for investors Seaside offers an estimated ROI above 8%, with the option of administrative management and commercial operation through Corporate Stays, a Canadian company specialized in short-term apartment rentals, enabling a ...
