A19 Cincuentenario is a residential project designed under bioclimatic architecture principles, integrating efficiency, comfort, and sustainability. Its spaces intelligently take advantage of natural ventilation, light, rainwater, and clean energy, reducing environmental impact and enhancing the quality of life of its residents. Modern and functional residences. The building features 26 levels of 1-, 2-, and 3-bedroom apartments, with interior heights of 2.85 m and large balconies that connect each home to its surroundings. Unit sizes range from 74 m² to 210 m². Prices starting at \$269,730. Amenities designed for a complete lifestyle. A19 includes areas that blend recreation, wellness, and environmental awareness: • Pool and gym • Front park and children's playground • BBQ area and rooftop • Meeting room and Zoom Room • Walking paths and coworking spaces • Stations for...
