Located in the heart of Calle Uruguay, one of the fastest-growing and most dynamic areas in Panama City, Uptown® redefines luxury residential investment through a modern hospitality-driven concept focused on flexibility, lifestyle, and high profitability. Developed by Empresas Bern, one of Panama's most prestigious real estate developers with more than 48 years of experience in residential and hospitality projects, Uptown was designed from the very beginning to accommodate short, medium, and long-term rentals under a professionally managed hotel-style operation, making it one of the most attractive pre-construction investment opportunities currently available in the city. The project seamlessly combines contemporary luxury, a prime urban location, and the growing demand for executive and tourist rentals fueled by multinational companies, international executives, digital nomads, medical tourism, ...
