Spaces that connect with your lifestyle Loom is a residential project conceptualized based on the connectivity that distinguishes Panama City, a financial capital that moves to the rhythm of global trends and is a meeting point for different cultures and ideas. Loom is located on Calle 76 Este and between Avenida 5 Sur and Avenida de Los Fundadores, San Francisco. Its avant-garde design plays with shapes, colors and textures to create, through its thirteen floors, environments that prioritize functionality and good taste, achieving the perfect balance between interior design, technology and multiple amenities. The common thread in the distribution of spaces is the flexibility that people require in the times we live in, when connectivity plays a key role in living comfortably. To achieve this, we combine design, technology and comfort to offer residents a home in which every square meter is used in the most eff...
