### \$ 348,000.00 USD

Panama - Chiriquí  
Boqueron - Cordillera  
Listing ID: 002762479047

This farm has all the necessary features to be used for agricultural, livestock or investment activities in the rural sector. With a natural and peaceful environment, it is an ideal place to develop productive projects or simply enjoy the peace of the countryside. Property details: Size: 30.7 hectares of land, offering ample space for various agricultural or livestock projects. Location: The farm is just 3.6 km from the main road of Cordillera Arriba, with access via a stone road that facilitates access throughout the year. Access: It has direct access to the road, which ensures a fluid connection with other nearby areas. Land: The land is mostly flat, with areas of grass and trees, making it suitable for both agriculture and livestock raising. Fence: The farm is completely fenced, providing security and privacy. Water resources: One of the advantages of this property is that it is bordered by...
