Listing ID: 002762479149

Iconic Mountain Landmark · 132 Hectares · Privacy, Infrastructure & World-Class Agrotourism Potential Santa Clara · Renacimiento District · Chiriquí, Panama Set high in the mountains of Santa Clara at 1,200 meters (3,937 ft) above sea level, this property stands as one of the region's most iconic, recognizable, and photographed rural estates. Spanning 132.09 hectares (326.3 acres), this extraordinary landholding offers a rare combination of scale, paved road access, existing infrastructure, natural water sources, and endless panoramic views, creating the ideal foundation for a premium agricultural venture, luxury agrotourism project, or exclusive eco-residential development. Positioned directly along a main paved highway, with outstanding visibility and year-round accessibility, the estate has become a true local landmark an...
