Listing ID: 002763844001

We present an excellent investment opportunity in a property located in Caldera, Boquete District, an area undergoing rapid development with great future potential. This lot features a total area of 8,714 m², making it ideal for residential, tourism, eco-agricultural projects, or for those seeking a spacious property to enjoy nature. The asking price is \$174,280. The land is completely flat, which makes it suitable and convenient for any type of construction or development. It also offers easy access, making it an excellent option for both residential use and investment. One of its greatest advantages is the pleasant year-round climate, typical of the Caldera area, where you can enjoy mild temperatures combined with refreshing breezes. In addition, the property offers beautiful views of the surrounding mountains and natural landscapes, providing a peaceful and relaxing atmosphere—perfect f...
