PH Armonía was designed around a simple idea: that home should feel effortless. Two bedrooms, two full bathrooms, and 56.34 m² arranged for ease — a space that flows naturally from morning coffee to evening wind-down, without a single unnecessary step. What sets Armonía apart is the world it wraps around you. This is comfortable living redefined — not stripped down, but thoughtfully right-sized, with everything you actually use just steps away. Details: 2 Bedrooms | 2 Bat...
