Los Santos - Los Angeles

Listing ID: 003244108014

Attention investors: a strategic opportunity is now available in Loma Larga, Los Santos, one of the fastest-growing areas in the region. This property is located just 5 minutes from Playa Monagre and near La Albina Grande, offering a powerful combination of prime location, accessibility, and strong development potential. The land is perfectly suited for high-return projects such as residential communities, beach villas, eco-tourism developments, glamping concepts, or boutique resorts. Its proximity to the ocean and easy road access make it a rare and valuable asset in an expanding market. The surrounding area is experiencing accelerated growth, driven by increasing demand for coastal properties and tourism-related investments. Early entry into this market offers a clear competitive advantage and significant upside potential. Opportunities like this are limited and highly sought after. This is yo...
