Discover a modern apartment development for sale on Vía España, one of Panama City's main thoroughfares. Its strategic location, just steps from the Fernández de Córdoba Metro station, provides convenient access to shops, supermarkets, hospitals, schools, parks, and different areas of the city. This development is part of a mixed-use complex that combines residences, commercial spaces, and three levels of medical offices, allowing residents to enjoy housing, services, work, and entertainment in one convenient location. The tower features 37 floors, four apartments per level, and three levels of social areas. The apartments are completed and ready for occupancy. The development offers options for investors interested in short-term rentals, as well as residences intended exclusively for buyers seeking a central and well-connected place to live. 1-Bedroom Apartments with Ho...
