FOR SALE AUTONOMOUS RESIDENCE WITH HIGH ENGINEERING INFRASTRUCTURE 500 METERS FROM THE BEACH. This property is not a conventional house; it is a high-performance unit designed for total operational continuity. In a market where utility stability is uncertain, this asset offers absolute independence through an 18-panel solar system with Luxpower inverter and a private water well. The engineering applied to this construction ensures your investment maintains an executive standard with permanent marble finishes and an Italian-made Scavolini kitchen, eliminating aesthetic depreciation and maximizing long-term capital gains. Technical and Security Specifications Sale Price: \$550,000 Dimensions: 1,200 sqm lot and 450 sqm construction. Living Core: 3 bedrooms, 2 social rooms, dining room, and laundry. Water and Power Engineering: Private well with 2 reserve tanks; 18 solar panels with 6-hour battery backup. ...
