Master your environment in a property designed as a high-end sanctuary. This residence is the ultimate solution for those seeking to shield their lifestyle against public infrastructure failures. Here, autonomy is not an extra; it is the core of the construction: an 18-panel solar system with a Luxpower brain and a private water well guarantee that your home never stops. It is a power structure that combines the solidity of marble floors with the sophistication of a Scavolini kitchen brought directly from Italy, setting a superior living standard for profiles who accept nothing less than operational perfection. Residential Base Configuration Monthly Rent: \$2,500 Validity: Minimum 12-month contract Territory: 1,200 sqm lot and 450 sqm of high-impact construction Internal Layout: 3 bedrooms, 2 living rooms, formal dining room, and laundry Luxury Components: Full marble floors and reinforced aluminum enc...
