

FOR SALE

\$ 400,000.00 USD

Panama - Panamá

Panama - Ancon

Listing ID: 003244149011

\$400,000 (NEGOTIABLE) This home preserves its original architecture, making it a historic and cultural gem. Located in the exclusive Herrick Heights neighborhood, this property is a living reminder of the golden age of architecture in the "Canal Zone." Built entirely of wood and preserving details of its original design, the house offers a nostalgic living experience, surrounded by the majestic natural beauty of Cerro Ancon. Features:Bedrooms: Three (3) BedroomsBathrooms: Three (3) BathroomsLevels: The property is distributed across a ground floor and two additional levels, optimizing privacy and use of space:Versatile Ground Floor: Features a separate area with a full bathroom. Its design allows for multiple configurations: from a high-profile private office to a separate unit for generating rental income.Upper Levels: Two additional floors that preserve the spaciousness and character of...
