Smart investment!1. Total Customization: Since the houses are under construction, you save on costly renovations to remove finishes you don't like. You choose everything from the floors to the faucets to suit your style.2. Guaranteed Services: Unlike many rural projects, these homes have access to all public services (water, electricity, sewer).3. Premium Location: Enjoy the cool mountain climate while being only five (5) minutes walking from the main road, close to shopping centers, restaurants, excursion areas, etc. 4. Business Potential: Thanks to their location and design, they are ideal candidates for the Airbnb-type rental model, allowing you to live in one and rent the other, or manage both as a high-end vacation complex. Features: House No. 1 Two-story house Two (2) bedrooms upstairs One (1) bedroom downstairs Open-concept living room, dining room, and kit...
