The most exclusive project in the area is expanding! Introducing Phase 2 of Bahía del Golf, featuring the construction of two new towers designed to offer you the lifestyle you deserve. Every apartment in the new towers is designed to maximize natural light and ventilation. The project's main attraction is its breathtaking panoramic views of the bay and the impressive urban skyline—a landscape that shifts from the blue of the ocean to the glow of the city lights as night falls. The finishes are modern, high-quality, and ready to be tailored to your personal style.

Features: • Layout: 79 m² of optimally designed spaces with excellent natural lighting and high-quality finishes. • Bedrooms: One...
