Panama - Santa Maria

Listing ID: 003244213022

Where luxury meets absolute serenity In the heart of the prestigious Santa María community, a residential development is born that redefines the concept of exclusivity. Casa Bosco is not simply a collection of residences. It is a private retreat designed for those who have achieved success and wish to live it to the fullest. Here, contemporary architecture merges with nature, creating spaces where light, spaciousness, and elegance flow in perfect harmony. Residences from 572 m² to 758 m² 4 spacious bedrooms Private family room Private pool in each residence Carefully designed natural surroundings World-class resort-style amenities Exclusive and discreet community Every detail has been conceived to offer a superior residential experience: impressive volumes, high-end finishes, and a constant sense of privacy and tranquility. This is the kind of...
