Chiriqui Montaña - Chiriqui
Listing ID: 003244219028

I am selling a 50-hectare island in the Gulf of Chiriquí. Only 39 hectares are arable; the rest is protected natural heritage. The price is for only 39.6 hectares. The island is located 450 meters from the Punta de Tierra Port in the Chiriquí district and 7 nautical miles from the future Barú Port. It boasts beautiful wildlife and is excellent for agritourism.
