Every day, the ocean wakes up telling stories—and one of them is happening right now inside a 70 m² apartment at Royal Palm, where life by the sea feels like a constant gift. The fully furnished apartment welcomes you with natural light that enters freely. The two bright bedrooms glow with clarity, the modern bathroom keeps its freshness, and the integrated living–dining area becomes the perfect setting for conversations that flow with the breeze. The open kitchen smells like freshly brewed coffee, while the private balcony invites you to look at the horizon—the one that changes colors throughout the day. The space includes its own laundry area and every detail needed to move in and live without worries. Outside, Royal Palm breathes like a boutique resort by the sea. Everything is alive, in motion, and in calm... all at once. Oceanfront, right now: You walk directly on...
